GREECE

A loop you can run many times and see your result on Strava where we have created a running segment. Start easy in the uphill on the Mainroad to Sivota when it starts to go downhill you can increase your pace and outside Hotel Albatros you turn left. Follow that road for 1km to Sivota Plaza and run around the Plaza, turn left to the beautiful Port of Sivota. Pass the Supermarket and turn right and follow that road. When you come to the Mainroad you cross it and go up the road on the other side. Follow that road appx 350m and turn left at the Chrisanthi Apartments and then take the second right. After appx 300m when the road ends you turn right and direct to the left. After 100m take the first right and pass Casa Georgia and then turn left. Follow that curvy road for appx 600m to the roundabout and then turn right and have a pleasant downhill run for appx 500m and then turn left on the narrow concrete road direct to the Isola Verde. If you use Strava you now can see your run and compare to other Strava-users

All loops start outside Hotel Isola Verde on the Mainroad
